

## ABOUT US

There's nothing better than hearing, "Wow, this is great stuff! How can I get more?", even when it's from family and hungry friends. Feeding off this, and continuing to pursue the creative cooking experience, we stepped up our game with our competition BBQ team, Steer Crazy BBQ. In competitions, cooking is serious business. Only the best food is submitted to earn the highest marks in appearance, taste and tenderness from trained judges. We have earned numerous awards, including 2 Grand Championships, competing against the very best teams in the country. Inspired and motivated, we followed our passion to create **Crazy Good Eats**.

## OUR MISSION

Our mission is to blend our unique Crazy Good flavors into creative, traditional and contemporary handcrafted offerings, to achieve the highest quality of food choices.
